

IN THE PAGES OF A BOOK

Ah! Ah! Oh, oh.

I am a lion. I am a star.
I am a farmer. I'm a poet, I'm a Czar.
I fly with eagles. I am lost beneath the sea.
Within these pages lies the key, lies the key.

In the pages of a book, in the pages of a book,
I can be myself or someone else in the pages of a book.
In the pages of a book, in the pages of a book,
I can lose myself or find myself in the pages of a book.

I am a shepherd. I play guitar.
I am a zebra. I'm an astronaut on Mars.
I climb high mountains. I'm a hero to the free.
Within these pages lies the key, lies the key.

In the pages of a book, in the pages of a book,
I can be myself or someone else in the pages of a book.
In the pages of a book, in the pages of a book,
I can lose myself or find myself in the pages of a book.

Ah! Ah!

I can lose myself or find myself in the pages of a book.
I can lose myself or find myself in the pages of a book.
I can lose myself
Or find myself in the
Pages of a,
Pages of a,
Pages of a book!
