

Culinary Arts Uniform Policy

The Academy uniform consists of a black chef coat (sweatshirts or hoodies may be worn UNDER your coat), long khaki pants, Dark not open-toed shoes, black chef hat (no ball caps).

The uniform is worn every day, ALL day and to any and all special events.

Special athletic day uniforms and dress down days may still be worn but students must wear Academy uniform during culinary class.

There will be no excuses, notes from parents, changing at the beginning of class, or changing into regular school uniform after class.

A detention will be issued for failure to observe Culinary Arts uniform policy (this means wrong hat, wrong shoes, wrong pants, not wearing the chef coat properly)

This is your warning.

I have read and understand the uniform policy and the punishment for not adhering to it.
